I. PURPOSE & AFFILIATION

1.1 MISSION STATEMENT

The mission of West Logan Christian Academy is to partner with students and families so that our students may:

KNOW GOD through a Christ-Centered Foundation, Education and Discipleship.

FIND FREEDOM by experiencing community and meaningful connections in a family oriented atmosphere that is based on truth and focused on their heart.

DISCOVER PURPOSE in the Kingdom of God and in society by discovering and refining their God-given gifts and talents.

MAKE A DIFFERENCE by emphasizing leadership through servanthood and providing opportunities to utilize their gifts and talents to contribute to the world around them.

1.2 VISION STATEMENT

Propelling students in a loving environment that builds community and reflects God's love.

Preparing a future generation of "Good Humans" who are able to successfully live in today's culture with a Christ Centered foundation.

Providing students with a quality, well-rounded, individualized education with flexibility that equips them to lead and become contributing members of our society.

1.3 STATEMENT OF PURPOSE

West Logan Christian Academy exists for the purpose of establishing and operating a Christian school. We believe the Christian school exists as an organization to assist the home and the church in the training of children and youth. The intent of West Logan Christian Academy is to refine the gifts, talents, and abilities that God has already positioned inside students' hearts, developing Good Humans that exhibit excellence, kindness, integrity and respect as they walk out His will and purpose in their lives.

1.4 AFFILIATION

West Logan Christian Academy is a ministry of West Logan Church.

1.5 STATEMENT OF FAITH

West Logan Christian Academy will operate based not upon doctrine, but upon the principles of Christianity:

- We believe the whole Bible to be completely and equally the inspired, infallible, and authoritative Word of God.
- We believe that there is one God, eternally existent in three Persons: Father, Son, and Holy Spirit.
- We believe God as the Creator of all things.
- We believe Jesus Christ was the Son of God, conceived by the Holy Spirit, was born of a virgin, that He lived a sinless life, performed miracles, died on the cross for our sin, rose again on the 3rd day, that He is seated at the right hand of the Father, and that He is coming back again!
- We believe in the necessity of salvation, as all have sinned and come short of the glory of God.
- We believe in the rightful submission to God-ordained governmental authorities but that God's Law is higher than man's law and will always obey the higher law when the two are in conflict.
- We believe in the unique roles of male and female as created by God and do not condone violation of these roles. We confirm that biblical marriage is limited to a covenant relationship between a man and a woman.
- We believe in the spiritual unity of believers in our Lord Jesus Christ

II. PHILOSOPHY OF EDUCATION

2.1 PHILOSOPHY OF EDUCATION

Aristotle said, "Educating the mind without educating the heart is no education at all." The foundation of education goes deeper than academic knowledge – the foundation of education is the heart. God's Word says in 2 Peter 1:3, "His divine power has given to us all things that pertain to life and godliness, through the knowledge of Him who called us by glory and virtue." Through the power of God and knowledge of Him, everything we need to be successful at any stage of life, God has already placed inside of us. The intent of West Logan Christian Academy is to refine the gifts, talents, and abilities that God has already positioned inside students' hearts, developing Good Humans that exhibit excellence, kindness, integrity and respect as they walk out His will and purpose in their lives.

As partners with parents in the educational process, teachers and staff stand as delegated authorities and Spirit-filled role models of excellence, kindness, integrity, and respect and are responsible before God to communicate the character of Christ and the Truth of His Word to their students in both word and deed.

2.2 EDUCATIONAL OBJECTIVES:

FOR SPIRITUAL AND MORAL GROWTH OF THE STUDENT, the school seeks:

- To teach the Bible as God's inspired Word.
- To encourage the student to accept God's offer of salvation through faith in Jesus Christ.
- To teach consistent, daily Christian living and fellowship with God.
- To teach a Biblical sense of right and wrong.
- To teach self-discipline in all areas of life based on respect and reverence to God and those in authority.
- To train up students as individuals of integrity and character.
- To teach an attitude of Christ-like servant-hood.

FOR PERSONAL AND SOCIAL DEVELOPMENT OF THE STUDENT, the school aims:

- To instill the qualities of excellence, kindness, integrity, and respect in the hearts of our students.
- To help the student accept him/herself as God has created him/her.
- To challenge the student to full development of his/her capabilities and talents in Christ, helping him/her to accept and respect others with differing talents.
- To promote healthy living and the responsible use of the body as the temple of God.
- To foster a Biblical attitude toward material things and to teach stewardship of possessions and time.
- To cooperate closely with the family in all aspects of the student's development, especially as it relates to the academic school program.
- To actively promote kindness towards all fellowman.
- To teach the student to worship God and to effectively represent the Gospel to the world.

FOR ACADEMIC INSTRUCTION OF THE STUDENT, the school endeavors:

- To provide an environment conducive to each individual's learning needs to the best of our ability.
- To encourage the student to succeed to the best of his/her ability, applying the idea of excellence into their academic efforts.
- To meet students where they are in their academic level while aiming to challenge them to reach beyond it.
- To teach with rigor and relevance, no matter the academic level.
- To encourage the development of good, study habits and research methods.
- To develop creative and critical thinking skills through applying Biblical criteria for evaluation.
- To encourage the student to make a positive contribution to society.
- To promote a Biblical worldview through the integration of Biblical principles in all subject areas.

3.8 ATTENDANCE POLICY

OBJECTIVE: The attendance policy for West Logan Christian Academy aims to foster positive learning environment and encourage regular attendance to maximize student academic, social/emotional, physical, and spiritual growth. School attendance and the degree to which a student succeeds in school are directly related to one another. Therefore, faithful school attendance is of critical importance. Students are expected to attend all scheduled classes each day, as well as other events and activities scheduled for the day including but not limited to chapel services, community service opportunities, assemblies, etc.

ATTENDANCE EXPECTATIONS: students are expected to attend all classes regularly and be punctual. Excused absences include doctor's excuse, death in family, family emergencies, school sponsored events, and pre-approved educational activities.

REPORTING ABSENCES: Parents/guardians should notify the school by phone or email on the day of the absence. Students are responsible for informing their teachers when they return to school and obtaining any missing assignments.

ABSENCE PROCEDURES

1. When a student is absent from school, a parent or guardian must text/email administration before 8:30 a.m. to report the student's absence.
2. Students who are not in HOMEROOM by 8:00 a.m. or in their classrooms to indicate the start of each period are considered TARDY. (See Tardy Policy for further information).
3. It is our preference that parental permission (note/phone call) for leaving the building be presented for approval in the office prior to 8:00am.
4. Students must SIGN-OUT in the office when leaving the building for any reason and SIGN-IN upon returning.
5. Students who become ill during the day will report to the office. Parents will be notified by office staff and arrangements for transportation home must be made.
6. Any student under a doctor's care for an illness must be cleared by that doctor to return to school.
7. Any student should be fever free without medication for 24 hours before returning to school.
8. Any student who tests positive for COVID-19 must follow local health department guidelines regarding absences and return to school protocol.

POOR ATTENDANCE CONSEQUENCES

If students have multiple tardies, missing assignments, or more than ten unexcused absences per semester, the students will be REQUIRED to attend Friday school assigned by administration.

Friday school will be held at the Academy. Parents are responsible for payment, which is a charge of \$20.00 per day.

Students' failure to comply with the attendance policy in any capacity, are subject to being dismissed from West Logan Christian Academy.

School administrators and teachers will frequently monitor school attendance, tardies, absences, and missing assignments. Our staff will provide support and interventions for students facing attendance challenges in order to address underlying issues. By implementing this attendance policy, we aim to create a conducive learning environment that encourages all students to attend school regularly, take responsibility for their education, and achieve success.

MAKING UP WORK FROM SCHOOL ABSENCE

Absence for sufficient reason entitles the student to an opportunity to make up the work missed. It is the student's responsibility to obtain make-up assignments from teachers. In general, the following guidelines will apply for making up work missed due to absence. Failure to make up work will result in zeros. Any work assigned prior to the absence and due during the absence must be submitted on time to receive full credit. To ensure that a student has no outstanding assignments it is recommended that the student check in with teachers on the day the student returns.

Students who are in the building for any part of the day are required to turn in all assignments due that day to all of their classes. Exceptions may be made by administration. Otherwise, late penalties may apply. For example, students who arrive late or leave early must turn in all work due that day. (e.g., students leaving for appointments or school sponsored athletic events).

Long-range assignments (as designated by the teacher) made previously by a teacher (i.e., prior to a student's absence) are due on the date assigned. Otherwise, late penalties shall apply. Illness or appointments are not exceptions. Arrangements must be made to submit assignments on the day they are due.

Previously assigned homework is due the day the student returns. Otherwise, late penalties may apply.

Students who were absent must talk to their teachers about completing work missed during their absence. Failure to complete these assignments on time may result in a zero for each unsubmitted assignment. Students must submit make-up work as follows:

One-day absence: work is due the day after returning to school.

Two-day absence: work is due two days after returning to school.

Three or more day absence: work is due three days after returning to school.

Students who are absent are encouraged to contact their teachers to learn what material was covered in class as well as what assignments are due. For prolonged absences (more than three days), students may request homework and other class assignments from the administrator. Upon their return to school, students should check with their teachers about missing assignments.

Parents of students absent from school for extended periods of time due to major illnesses should contact the principal to discuss assignments from teachers. Parents should encourage their child to work on an appropriate amount of schoolwork so that, upon return to school, students' progress will not be jeopardized.

Students suspended from school/class are required to turn in previously made assignments on time, including those assignments due during the course of their suspension. While suspended, students are expected to make up class work/tests and will be given credit for the work submitted.

3.9 TARDY POLICY

Tardiness defined as “the physical absence of a student in the classroom at the beginning of a regularly scheduled session at which he or she is scheduled to be present... A student has the responsibility to be in class on time. A student failing to make an effort to attend class in a timely manner shall be considered truant and subject to disciplinary action. Accumulation of tardies shall be based on a semester.”

A student at WLCA is considered tardy if s/he is not present inside the classroom when the bell rings at 8:00 a.m. Tardy students are to report to Mr. Browning or Mrs. Robinson in the office to receive a tardy slip before entering class late. All tardies are documented through the school's electronic tracking system (Thinkwave).

CONSEQUENCES FOR TARDIES

5 tardies: Parent will be called.

10 tardies: Parent conference is requested. Student will receive lunch detention.

20 tardies: Student will be required to attend Friday School from 8:00am until 2pm. Parents will be responsible for paying \$20.00 to the teacher for Friday school.

30 (plus) tardies: Parent conference will be held to determine appropriate action to be taken.

Administration reserves the right to contact the district truancy officer if a student's tardy occurrences are deemed excessive over the course of a semester.

ALL STUDENTS ENTERING THE BUILDING AFTER 8:00 a.m. MUST REPORT TO THE OFFICE FOR A TARDY PASS.

3.10 PARENT INVOLVEMENT

We welcome parent involvement at WLCA. If you desire to volunteer in a classroom or in the school in any capacity, notify your child's teachers to see where you may be needed. We often REQUEST parent volunteers for larger school events and functions, Parents and visitors are required to check in at the school office. Regular volunteers may be asked to provide permission to do a background check for insurance purposes.

Students in grades 5-9 at our Main Campus will be provided with the opportunity to rent a locker. Locker Rental Fee is \$10 for the year and students are required to purchase their own COMBINATION LOCK. Locks with keys are not permitted. Students will be assigned a locker by their homeroom teacher and that is the ONLY locker they will be permitted to use. The lock cannot be placed on the locker until the combination has been provided to the homeroom teacher. Students are not allowed to share a locker. Students will be permitted in their locker during designated times only to prevent disruption.

3.13 EMERGENCY PROCEDURES

In the event of an emergency, established policies and procedures are followed when and where necessary. Safety procedures are practiced regularly so that everyone is familiar with step to take for an actual event.

In response to any early dismissal for any reason, WLCA will notify parents via Classroom DoJo and mass text.

Students at SWVCTC who are the appropriate age and have been issued a valid West Virginia driver's license are permitted to drive to and from school.

Student drivers at the SWVCTC campus are REQUIRED by SWVCTC Administration to have a parking pass in order to drive to and from school. Students will fill out the required form to receive a parking pass that will be turned in to Mrs. Pritchard, and will then be turned in to SWVCTC for students to receive their permit.

Student athletes are permitted to drive themselves to athletic events with the understanding that the school is not liable for any accidents or injury that may occur in transit.

3.17 LOST/DAMAGED SCHOOL PROPERTY

Parents will be asked to replace any piece of school property that is lost or damaged by their child during the school year. If the item is lost, the total replacement fee is charged. If the item is damaged, school administration will determine the appropriate charge.

3.18 HOMESCHOOL STUDENTS

Cell phones will remain in classrooms during lunch and break. Students are permitted to utilize their cellular device in the instance it is necessary with permission from their classroom teacher. There may be times that students are permitted to use their device for classroom activities.

CONSEQUENCES FOR VIOLATION OF CELL PHONE POLICY

***Failure to turn in device counts as a violation of the cell phone policy.*

- First violation will result in a verbal warning.
- Second violation will result in a parent phone call, a Disciplinary Referral, and the parent or guardian will be required to pick up the device at the end of the day.
- Third violation will result in a parent phone call, a Disciplinary Referral, and the student will be required to turn in their device in the main office first thing in the morning every day for a week.
- Fourth violation will result in a Disciplinary Referral AND loss of cell phone privileges and will no longer be permitted to bring their device to school.

3.20 PERSONAL ELECTRONIC USE

Students are permitted to use their personal laptops and tablets for classroom assignments. WLCA is not liable for any damaged, lost or stolen personal electronic devices.

3.21 SCHOOL TECHNOLOGY RESOURCES

Throughout the year, WLCA may make available to students certain technology for assignments and activities. Procedures for proper use will be taught to students in the beginning of the year. Students will then be required to sign an Acceptable Use Agreement that will be kept on file in the office. Any misuse or mistreatment by the student that results in damage results in a loss of electronic privileges for that student and the parents will be required to pay to replace or repair any damages. Any violation of the Acceptable Use Agreement may result in a loss of electronic privileges.

All students, upon enrollment, will receive a school email account that gives them access to the Google for Education Platform. With this email address, students may be required to complete some school assignments in Google Classroom.

3.22 LUNCH & SNACK

Meals are not provided to students at WLCA therefore all lunches must be brought from home. Microwaves are available for students to heat up food. This also applies to those students at the SWVCTC campus pertaining to their own photo releases as well.

V. STUDENT BEHAVIOR & APPEARANCE

5.1 STUDENT EXPECTATIONS

1 **Be Excellent**

- Excellence is the high standard set for personal achievement – it is not perfection.
- Colossians 3:23 says “Whatever you do [whatever your task may be, work from the soul [that is, put in your very best effort], as [something done] for the Lord and not for men.”(AMP)
- We promise to strive for excellence in this ministry – and we expect the same in return from all participants involved.

2. **Be Kind**

- Ephesians 4:32 says, “And be kind to one another, tenderhearted, forgiving one another, even as God in Christ forgave you.”
- Luke 6:31 “Do to others as you would have them do to you.”
- Kindness means we:
 - Put the needs of others above ours
 - Appreciate others' differences
 - Don't expect anything back in return
 - Say nice words to people
 - Smile at others
 - Do not make fun of others

3. **Be a person of integrity**

- Integrity is doing the right thing even when no one is looking.
- 2 Corinthians 8:21 says “We are careful to be honorable before the Lord, but we also want everyone else to see that we are honorable.” (NLT)
- People of integrity:
 - Always tell the truth
 - Admit when they are wrong
 - Apologize when they are wrong
 - Are trustworthy
 - Keep their word

4. **Be Respectful**

- 2 Peter 2:17 says “Show proper respect to everyone, love the family of believers. . . .” (NIV)
- We will respect ourselves, one another and one another's property
- We will respect God's house
- Respectful people use their manners! They say yes mam, no mam; yes sir, no sir; please; and thank you.

5.2 DISCIPLINARY PROCEDURES
